

Please help me “Jump For The Cure”

4-H Middlesex Mavericks Horse Club Open Schooling Benefit Jumper Show August 1, 2010 at the 4-H Westford Fairgrounds Come watch, ride or buy raffle tickets

- Every three minutes a woman in the United States is diagnosed with breast cancer.
- Breast cancer is the leading cancer among white and African American women.
- Breast cancer incidence in women has increased from one in 20 to one in 8 today

Your sponsorship in any amount will help. Sponsorships of \$100 or more will not only help the Breast Cancer Organization, but will also help an eager horse rider, a chance to participate in the Horse show free of charge! Imagine, getting to make a tax deductible contribution to one charity, enabling them to help another charity while providing the chance for a rider to participate in a wholesome activity. Talk about paying it forward. It doesn't get much better than this!

Proceeds will go towards Breast Cancer research, education, screening and treatment.

Please help us and others

Together we can make a difference

Sponsor's Name: _____

Company Name: _____
